PART V: REVIEW OF SUMMARY, METHODOLOGY AND EXPLANATION

Texas Labor Code 402.00128(b)(7) titled *General Powers and Duties of Commissioner* authorizes the Commissioner to enter appropriate orders. The Division will resolve medical fee disputes according to Rules 133.305, 133.307, 133.20(b), 133.200, 133.240 and other rules.

1. This dispute relates to procedures/services that were billed under CPT codes 99213 and 80101 rendered on October 21, 2008 that were denied reimbursement by the insurance carrier based upon "29 – The time limit for filing has expired" and "731 – 134.801 & 133.20 provider shall not submit a medical bill later than the 95th day after the date of service, for service on or after 9/1/05

2. Rule 102.4(h), titled General Rules for Non-Commission Communication, states “Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on:

- (1) the date received, if sent by fax, personal delivery or electronic transmission or,
- (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday.”

1. Section 408.027(a) of the Labor Code states, “A health care provider shall submit a claim for payment to the insurance carrier not later than the 95th day after the date on which the health care services are provided to the injured employee. Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider’s right to reimbursement for that claim for payment.”

3. The Requestor did not submit convincing evidence to support position that the bill was submitted timely to the Respondent per Section 408.027(a). The Requestor submitted a print screen showing that on 11/26/2008 a “paper submission to Texas Mutual - TWCC” was made; however, this does not constitute a electronic submission to the carrier, nor does it show a mail or fax confirmation of submission the bill.
